Stadium Seats These chairs are state-of-the-art and will fit into suitcases. They’re a MUST for any sporting event and available only in the U.S. but we were able to secure seats for our event ... and with the logo. Venue seating includes chairs on the main floor in front of all stages with a majority of seating in raised bleacher seats behind the chairs. Since the bleacher seats are backless, the stadium chairs are a comfortable way to enjoy the raised seating ... and can be used for future competitions and sporting events. You’ll be the envy of all your friends!		\$55
