

Friday, July 9th, 2010 – Golf Day

We are organizing a golf day for interested participants at [Moonlake Golf & Country Club](#) just 15 minutes outside of the city of Saskatoon. The Moonlake golf course is a “links, dunes style course reminiscent of the old Scottish design. The course follows the traditional Scottish links design with water hazards, heavily mounded fairways and long native grass roughs.” We will be golfing two of the three nine-hole courses, “The Heather” and “The Highlands”, both of which are a par 36.

The golf package includes transportation, green fees, power cart, gourmet hamburger lunch, and door prizes. We will start golfing at 8:00am to ensure that we are finished with enough time for golfers to return for the banquet held during the evening.

If you will need to rent golf clubs, please let me know when you register as well as which hand you will need.

All interested golfers should contact Erin Unchulenko at erin.unchulenko@gmail.com to sign up for this event. There are only 40 spots for this event, and thus will be filled on a first come first served basis, so make sure you register early!

Fees: \$115.00 per person until May 31st.

(June 1st onward the fee will be \$125)

Deadline for registration: June 25th, 2010
